HANDLING

› Do not sit on the insert
› Do not drop the insert on the floor and avoid other hard shock(s)
› Do a visual inspection of the insert every six-month
› In case of visual damages, send the insert back for inspection / repair
› Do only clean with pure water or mild soap

GUARANTEE PERIOD

The plate is expected to preserve its conformity with the specifications for a period of at least 5 years during storage from the date of delivery, provided that:
› The product is stored under dry conditions at normal ambient temperature
› The product is stored vertically
› The product has not been subjected to peak temperature exceeding 70°C
› The product is protected against long term direct exposure to sun light
